Term 4 Week 2

Wednesday 14 October 2015

From the Principal's desk.....

Welcome back everyone!

Welcome back to everyone. We hope you all had a chance to recharge your batteries ready for the last term of 2015. We have lots on our calendar again so please note dates at home.

Year 6 Fete

Students in Year 6 will be holding their fete on Friday this week. They do this activity each year and use the money they raise to purchase a farewell gift for the school. The project allows the students to practise their leadership, team work, problem solving and organisation skills. They are looking forward to a fun filled day.

Interrelate Program

The Interrelate program will be here again on Wednesday 28th October to run 2 evening sessions. It is an extremely valuable and professionally delivered workshop. We invite Interrelate every 2 years and it is for every family with a child/children in Stage 2 and 3. Please take this opportunity to attend. You will not be disappointed. Parents who have previously attended have found it very worthwhile.

Road Safety

Once again we ask parents to take notice of parking regulations around the school. We have witnessed some very dangerous activity before and after school. We do not want to see any accidents. Please don't ask your child to cross the road between cars!! Parking in school grounds is not permitted to ensure the safety of all students and staff.

Students catching a bus are the only students who should be arriving at school before 8.55 each day. These students should go straight to the bus shelter area. Front gates are opened at 8.55 am.

Kinder Orientations

We look forward to meeting and welcoming all our new kinder students for 2016 and their families at the Orientation sessions on 4 & 25 November.

Water Safety Program

This program is a great opportunity to ensure your child is safe in the water this summer. The lessons are \$15.00 per student. Non swimmers in Years 2 – 6 are encouraged to apply. The program runs for 10 days from Monday 9 – Friday 20 November.

Susan Bradley

SCHOOL CAPTAIN NOMINATIONS

Nominations for the 2016 school captains will take place in Week 5. If your child wishes to accept a nomination (should it occur), please ensure you have had the discussion, at home, with your child. A note, outlining the captains and vice captains' election process, has gone home to ALL YEAR 5 students in Week 1.

WOLLONDILLY SCHOOL FETE

The Year 6 school fete will take place in Week 2, Friday the 16 October.

Please ensure your child has sent his/her form and money for the "Dilly Dollars" to use at the fete.

Mrs Maureen Chapman

News from 3-4T

After a very busy Term 3, 3-4T are ready to jump back into their school work for the last term of 2015. In Science we will be studying Heating Up, very apt at this time of the year. In HSIE we will have a big Australian focus, with Places: then and now. This will be reflected in our homework, looking at explorers. In addition to these subjects we will continue our focus on reading, writing, fitness and maths.

There is a lot to do, but 3-4T always strive to achieve.

Cheers,

Ms Tilley

Learning Potential app

The Federal Government has released a free mobile app for parents and carers containing tips and inspiring ways to be more involved in your child's learning. It's for all ages, from the high chair to high school, and provides relevant information tailored to each child's age as well as fun and easy ways to stimulate learning.

It suggests ways to fit educational games into the regular family routines, such as in the car or supermarket, and lets parents personalise the app for their children. No data is collected by the app. The app is available on android and apple.
