Term 3 Week 8

Girls Hockey 2018

PSSA Girls Hockey 2018

Congratulations to our Girls PSSA School Hockey Team. Over the Term the girls competed against 4 schools. The girls played their first game against Bradfordville and won the game 2-0. Goals were scored by Grace Jones and Claire Hellessey. The girls then played Crookwell Public School in their second game. The girls won the game 5-0 goals, scored by Grace Jones. The girls moved on to the final round for the South Coast/Riverina region. The girls played Bowral Public School and came away winning that game 5-1. Goals we scored by Zoe Carmichael and Grace Jones. By winning this game the girls became South Coast Champions.

We made it into the State Quarter Finals where we had to travel to Newcastle and play against Ben Venue Public School. This was a tough game, unfortunately we lost 2-1. The girls played their absolute best!

I am so incredibly proud of these girls and I have loved watching them work, support and play as a team. It has been a privileged to coach such an amazing team and I have been able to see their friendships grow. Congratulations girls.

SASS Recognition Week -Last week was the week we recognise the amazing contribution our support staff make to our school and its community. We have staff that are general Assistants that work around our school mowing and maintenance, we have SLSSO's that work in lots of rooms helping children to learn, we have people in the office who keep our school running and do a million tasks such as budgets, enrolments, and organise just about everything. We are very fortunate to have such a committed team here, so please join with us in celebrating their efforts.

Review Meetings -Thank you to the parents who attended review meetings last week. These meetings are very important in understanding the learning needs of your child.

Excursion Reminders -With a number of excursions planned in the coming months, I wanted to remind parents of the importance of returning notes and making payments in a timely manner. The booking of venues and buses require exact figures and cancellation fees are charged to the school when there are last minute changes. Sometimes the size of the bus can be chosen according to the number of students attending, greatly reducing the cost of the excursion. For these and other reasons we generally require notes and payments to be finalised two weeks before an event. In some instances the timelines may vary, but we do require that parents work with the cut off dates as a firm and fixed arrangement. When students do not return notes by the date stated on the note, there is often little we can do to accommodate late requests. This is disheartening for both home and school. So I do urge parents to regularly check their child's bag for notes and ask the students about upcoming events. This is especially true for senior students who are capable of discussing upcoming camps and activities which are often discussed with students long in advance of the due dates for forms, deposits and payments falling due. Reading this newsletter often allows parents to see upcoming events and cut off times. We want every child to be able to fully engage with our programs so please assist us with these important matters by responding in a timely manner and definitely by the date indicated for the event.

New Section in the newsletter – We need to celebrate our high achieving students!!!! Please let me know of the amazing achievements of our students in our school so we can celebrate with them.

Celebrations this fortnight are:

- Congratulations to Clare Hellessey for her outstanding horse riding at many different shows.
- Congratulations to the Spelling Bee representatives who went to Bowral and were highly successful, Well Done. Brittany Bird, Chelsea Wray, Isaac Jones and Lachlan Rigney.

Have a great fortnight.
