

**Wollondilly Public School**  
**NSW Department of Education Enrolment Policy Procedures**

The procedures outlined in this document are written with reference to the NSW DoE Policy ‘Enrolment of Students in NSW Government Schools’, August 2019 <https://education.nsw.gov.au/policy-library/policies/enrolment-of-students-in-nsw-government-schools> along with the ‘General Enrolment Procedures’, July 2019. <https://education.nsw.gov.au/policy-library/associated-documents/pd-2002-0006-01.pdf>.

**Rationale**

This policy procedure document has been developed in consultation with the Director, Educational Leadership, the Principal and the school community.

**Legislative Context**

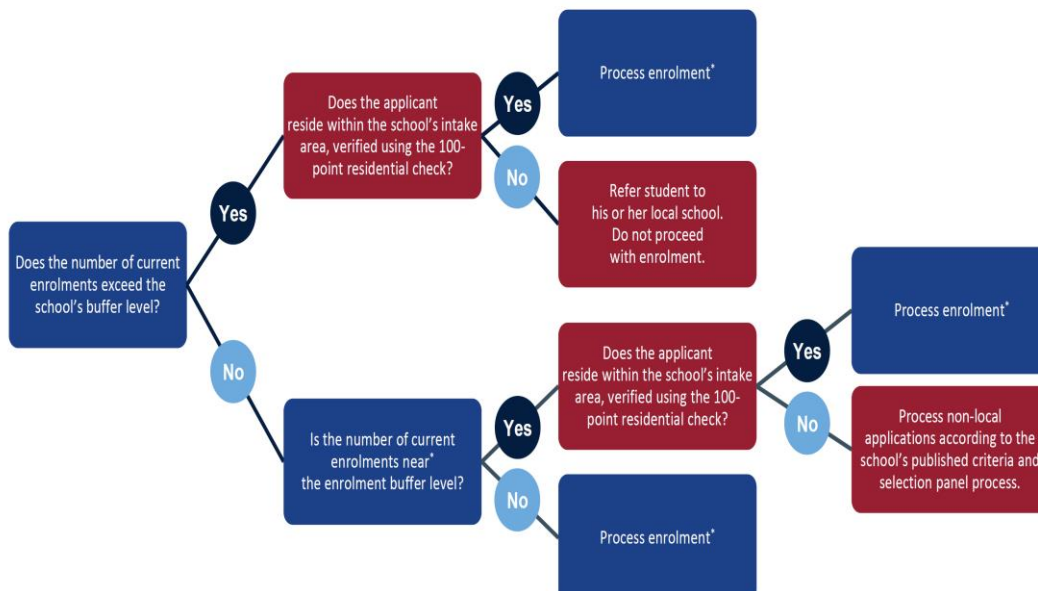

The Education Act 1990 governs enrolment in a NSW Government school. This is complemented by anti-discrimination legislation. In addition, the duty of care and work health safety, privacy and child protection legislation apply to enrolment in a NSW Government school.

**Entitlement to Enrol**

Compulsory school aged students are entitled to enrol at the local school that the student is eligible to attend, if their home is within that school’s local intake area. Parents may apply to enrol their child in the school of their choice. However, acceptance is subject to the child being eligible to attend the school and the school being able to accommodate the child.

Parents may enrol a child if they turn 5 years of age on or before 31 July in that year. Students identified as gifted and talented, who are aged 4 years or older at 31 January of the year of enrolment may only be enrolled in accordance with the Gifted and Talented policy. Schools require an Authority to Enrol for each temporary resident and international student enrolment which is issued by DE International and the Temporary Resident Program.

**Decision Tree for Standard Enrolments**

### **Enrolment Cap**

The enrolment cap is the number of students that can be enrolled at a school based on permanent accommodation. The cap is determined centrally by School Infrastructure NSW.

The enrolment cap for Wollondilly Public School (as at December, 2020) is 462 enrolments.

The enrolment cap for Wollondilly Public School (as at December, 2020) is based on permanent accommodation space of 20 teaching spaces. It is important to note that Wollondilly Public School houses three onsite Departmental support classes [subject to change].

### **Proof of Residency**

Our school will undertake a 100-point check to verify that a student presenting for enrolment resides within the school's designated intake area. In exceptional circumstances, the principal may waive this requirement subject to approval by the Director, Educational Leadership (please see appendix #4).

### **Enrolment of Non-Local Students**

Schools that have reached their enrolment cap have no capacity to enrol non-local students unless requested by the Director, Educational Leadership.

Criteria for the enrolment of non-local students may include:

- siblings already enrolled at the school
- compassionate circumstances
- medical reasons
- safety and supervision of the student before and after school
- availability of subjects or combinations of subjects
- structure and organization of the school
- proximity and access to the school
- recent change in the local intake area boundaries

Criteria for the enrolment of non-local students will not include student ability, performance or achievement (see appendix #1).

### **NSWDoE Support Unit Enrolment**

The enrolment of students within the Wollondilly Public School Support Unit is managed via the Queanbeyan District Education Office. Students are considered for enrolment in the Wollondilly Public School Support Unit through the NSWDoE Access Request process. A student's local school is to complete the Access Request for consideration through the Queanbeyan District Education Office Support Class Placement Panel.

Students whom are placed (through the Queanbeyan District Education Office Placement Panel) in to the Wollondilly Public School Support Unit are not calculated in the Wollondilly Public School mainstream enrolment calculations and are staffed separately.

For further information about enrolment in a Support Unit, please contact the Queanbeyan District Education Office on 6200 5000 or speak with your local school Principal.

### **Responding to Non-Local Enrolment Applications**

When the principal receives a non-local enrolment application, the principal will inform the principal of the student's local school.

Principals will ensure relevant staff know whether they can or cannot accept non-local enrolments and ensure advice and communication provided to parents is consistent. Principals will also develop protocols, in collaboration with other schools if appropriate, to ensure communications and advice provided to parents is consistent and supportive of public education.

Procedures for non-local enrolment applications can be found at: <https://education.nsw.gov.au/public-schools/going-to-a-public-school/enrolment>

To consider non-local enrolment applications, an enrolment panel will be established. This panel will consist of the School Business Manager, a representative from the School Administration Team, a representative of the School Executive and a representative of the school community. These applications will be processed at the discretion of the panel.

Kindergarten non-local enrolment applications (for the following year) will be considered through a panel process in week seven (7) of Term 3 and week two (2) of Term 4.

### **Appeals**

Appeals against the decline of non-local enrolment applications must be in writing. They are managed by the principal in the first instance with the purpose to determine whether the stated criteria has been applied equitably.

### **Appendices:**

1. Non-Local Primary School Enrolment Criteria
2. Non-Local Primary School Application Form
